

# COULD YOU BE A MENTOR?

With new applications to join our network of expert mentors every day, what better time than now to become a mentor.

Help us make the 42 businesses we back each day a success.

## WHAT MAKES A MENTOR?

Someone with five years or more experience of running a business or a specialist who volunteers their expertise in an area of great interest to startups such as retail or marketing.

## HOW CAN MENTORING HELP YOU?

You'll develop your managerial skills through supporting an entrepreneur, doing something different to the day job, having a big impact in a short space of time, and increasing your understanding of a sector and new techniques being used.

## INTERESTED IN BECOMING A MENTOR?

Do you want to join our network of expert volunteer mentors? Fill in the form on our website and one of our Delivery Partners will contact you.

*"It's great knowing that someone is looking out for you and also wants your business to be a success."*

- Luke Statter, Loan Recipient

*"I am incredibly passionate about mentoring... sharing my knowledge and experience with others starting out."*

- Tom Horigan, Mentor
